GELMON 2015

"Third International Workshop on Geoelectrical Monitoring"

November 24th to November 26th, 2015

Supported by:

Geological Survey of Austria

bmwfw Bundesministerium für Wissenschaft, Forschung und Wirtschaft

ÖAW Österreichische Akademie der Wissenschaften

AGS Österreichische Geophysikalische Gesellschaft Austrian Geophysical Society

KIGAM Korea Institute of Geoscience and Mineral Resources

EUROGEOSURVEYS European Geoscience for Society

The Geological Surveys of Europe

Earth Observation and Geohazards Expert Group (EOEG)

To foster scientific discussion and to support cooperation among the scientific groups, the Geological Survey of Austria invites to the "**Third International Workshop on Geoelectrical Monitoring**", which will be held in **Vienna from November 24th to November 26th, 2015**.

The scope of this workshop should not only be the presentation of state-of-the-art results, but significant time will also be reserved for the discussion of special topics of data acquisition, processing, inversion and interpretation. Special topics include:

- Monitoring case studies in general (CO_2, landslides, embankments, permafrost, …)
- Inversion and Modelling
- Data Quality Assessment
- Infrastructure Monitoring
- New fields of application
- ….other topics are welcome

The **scientific program committee** will later decide upon special topics and lead the respective sessions:

Robert SUPPER, Geological Survey of Austria

Jung-Ho KIM, Korea Institute of Geoscience and Mineral Resources

Jonathan E. CHAMBERS, British Geological Survey

Panagiotis TSOURLOS, Aristotle University of Thessaloniki

Torleif DAHLIN, Lund University

As we want to address scientists from all over the world, we would kindly ask you to **forward this invitation** to any other colleague who might be interested in this event.

To facilitate an unobstructed organization of the event, we ask you to **state your intention to participate** in the "GELMON 2015" workshop in a short e-mail to stefanie.gruber@geologie.ac.at. Please inform us, if you are also planning to give an oral/poster presentation and specify the topic (full title is not necessary).

For **companies and institutes** there will be the opportunity to present their products and research in the form of a company booth (400 €), which will be on display during the conference in a special room adjacent to the main conference room. Sponsorship of a certain conference event (icebreaker party, conference dinner) is also welcome. For further information, please contact stefanie.gruber@geologie.ac.at.

Registration by bank transfer will be open from June 22nd to November 16th 2015, **deadline** for submission of abstracts will be September 20th 2015.

Deadlines:

- Submission of short abstracts (max. 1 page, 12 pt.): **September 20th, 2015**
- Early Registration for Workshop (€ 200): **October 23rd, 2015**
- Registration by bank transfer after Oct. 23rd (€ 230): **November 16th, 2015**
- On-site registration (€ 250): **November 23rd-26th, 2015**

The venue: The meeting will be held in the Presentation Hall of the BMWFW (Federal Ministry of Science, Research and Economy) at Freyung 3 in the first district of Vienna. Vienna at that time of the year is very famous for its typical "Viennese Christmas Markets" (Wiener Christkindlmarkt), offering you the opportunity to combine fruitful scientific discussions with early Christmas shopping.

For reference to the 1st and 2nd workshop, you can find the abstracts at:
